■ A slight breeze is blowing off the water, the bright sun is out and shining and you are sailing on a beautiful boat. Dreaming of summer and all of the summer fun? What about your summer fashion? It's time to get ready for the best swimwear and lazy summertime looks around.

Whether you are looking for the classic bikini, one-piece or even a fun dress to wear while enjoying the summer sun, you can find these looks now in your favorite stores.

Swimsuits

You can find that perfect suit if you invest a little time to try on several suits to find the one that best fits your body. Swimsuit styles range from one-pieces to tankinis – a two-piece made up of bikini briefs and a tank top – to swim skirts and string bikinis. After you find the style that suits you, the sky is the limit as to what color, embellishment or design you choose.

This swimsuit season is all about dots, florals and solid suits with fabulous finishes like piping, eyelet and ruching.

Look for figure-flattering details like the high-cut leg for a longer leg. There's also the bandeau top in a bra style or halter style for creating even more curves

Cover-ups

Cover-ups can be sheer and match your

suit or designed to be pulled over your suit for more coverage when you are out of the water. Details like chains or embellishments add fashion touches.

Accessories

Don't forget to slip those polished toes into some great-looking sandals for the beach, lake or pool. Sensational shoes complete your cool summertime look. Look for faux reptile in soft gold or maybe try the latest color – nude – which creates the longest leg.

Poolside wear

For alternative pool, beach or lakeside wear, check out the comfortable, long maxi dress or a cute summer sleeveless dress to stay cool with lots of style.

Summer SIZZLE

*The hottest fashion to
wear by the water.*

On Alisa, snake print bikini in purple by Becca; bangle bracelets; shell and brushed-gold drop earrings; all by m. haskell, all courtesy of **Dillard's North East Mall**. Boat courtesy of **Black Watch Sailing Charters**.
